Copymoore Document Solutions HealthPack

Solutions Fit For Purpose

Printing on the move with added security Copymoore HealthPack

Healthcare providers need printing and scanning in the practice and in the community. With the Copymoore HealthPack, we can provide easy to use solutions that provide secure printing. Useful for all areas of healthcare, from Charities to NHS Trusts and Dentists to Vets.

Print in surgery or in the field, confidentially and quickly

Whether you are on a ward round or providing a service in the community, we all need to print and scan documents such as time sheets. The CopymooreHealthPack offers just this functionality. Secure on demand printing from mobile devices, working with the Copymoore printer and MFP range make this pack a great fit for any healthcare provider.

Printing and scanning does not need to be a major operation

The Copymoore HealthPack provides, not only mobile operation, but patient confidentiality, local printing, data security and integration to existing document or clinic management systems. With patient confidentiality at the heart of what you do, here is how Copymoore can help.

Local and Mobile Print and Scan

• Securely print to local printers as well as large MFD's
• Print from mobile devices in the surgery clinic of community
•Scan timessheets etc. back to the office for immediate processing
• Intergrate into Cloud Storage solutions
•Intergrate into existing systems for more streamlined working
• Industry standard digital signatures
• If you require a legal signature on a mobile device, the UTAX HealthPack can provide the answer

Patient and Confidentiality

• Documents print on demand at larger devices.
• A range of small printers for consulting room / prescription printing.
Scanning to mobile devices or intergrating with any exisitng software applications
• Secure cloud print and scan
Security
• Only authorised users can access the system
• Device data security kits and document encrytption
